Welcome Message

Thank you for your interest in becoming part of the Osoyoos Golf Club community.

As General Manager, I'm proud to lead a club that combines stunning desert landscapes, a vibrant and welcoming membership, and an exceptional **36-hole golf experience** unlike anywhere else in the South Okanagan.

My name is Bryan Ewart, and I've have the privilege of serving as General Manager here at OGC. With nearly three decades in the golf industry, I can confidently say this club is something special — a place where great golf meets great people. Our members take pride in being part of a community that values **camaraderie, inclusiveness, and a genuine love for the game**.

At Osoyoos Golf Club, membership is more than access to two incredible golf courses — it's an opportunity to belong to a club that continues to grow, evolve, and celebrate everything that makes Osoyoos such a unique destination.

Whether you're looking for friendly competition, social connection, or a beautiful place to play and relax, we'd love to welcome you to the Osoyoos Golf Club family.

I look forward to meeting you and helping you make OGC your home course.

Golf in the Desert – Where Stunning Views Meet Exceptional Play

Established officially in 1973, Osoyoos Golf Club brings together ideal desert climate and picturesque golf with two full-length courses boasting the longest season in the Okanagan. The Park Meadows course is a pleasurable "resort-style" course that is walker friendly amidst a park-like setting, while the Desert Gold course brings a new and unique links-style golf experience.

Perched high above the Town of Osoyoos and sculpted in the environs of a desert mountainside, golfers will be rewarded by precision shot making and captivated by views of Osoyoos and its surrounding orchards, vineyards, and Lake Osoyoos below. The courses were built with a keen eye on the environmental protection of the unique antelope brush ecosystem and the Club established a desert sanctuary area to protect and preserve the habitat for the future. A state of the art irrigation system maintains the lush playing conditions throughout the heat of the summer.

Osoyoos Golf Club is a semi-private club, always open to the public, that offers membership opportunities. We are confident the Osoyoos Golf Club will become your golf destination of choice. Finally, don't forget to set aside some time to stop in at the Greenside Bar & Grill and say hello. We can't wait to meet you!

OGC History...

Play initially began on nine holes designed by Jack Reimer in April of 1973. The course was an instant success and by, 1979 a second nine was urgently needed to accommodate the growing number of members and visitors wanting to play the course. Again Mr. Jack Reimer was contacted to design and build the additional holes, and in April of 1981 the Club was a full 18 holes.

The popularity of the game, and the course, allowed for the addition of a third nine. Boyd Barr designed and constructed the new holes that opened in the fall of 1994. The three nines appropriately named the “Park”, the “Meadows” & the “Desert” each provide a unique golf experience and in combination they offer many varied 18 hole rounds!

After many years of expanding and renovating of the original clubhouse the Club sensibly moved forward again with the construction of a magnificent new 13,000 sq ft clubhouse which opened in 2001. Providing dining rooms and extensive patio decks overlooking the greens, fairways and Osoyoos Lake itself, the Mediterranean inspired clubhouse design has become an icon of the “new Osoyoos”.

Never able to stand still, in 2005 the members of the Osoyoos Golf Club voted to expand to 36 holes and in August of 2006, the Desert Gold Course was opened to rave reviews.
